

eSkills for eLearning Course

The eSkills for eLearning Course was devised by the RSC in 2006 and has been designed to cover the essential skills and knowledge needed by teaching practitioners to enable them to use technology for learning and teaching.

The RSC are offering the full course over four consecutive Fridays this March (5th, 12th, 19th & 26th). The course comprises of 8 x three hour modules and each session comprises of a mixture of presentations, discussions & practical activities. A certificate will be awarded to each practitioner on completion of the course which can contribute towards their CPD portfolio.

The course has recently been updated and the re-launched course is being offered at a discounted rate of £100 per participant (normally £240).
